Formal invite to register on UK Social Value Portal

“An Act to require public authorities to have regard to economic, social and environmental well-being in connection with public services contracts; and for connected purposes”

The [Centre for Citizenship, Enterprise and Governance](#) have been asked by advisors to [Hazel Blears MP](#) to assess the impact of the Public Services (Social Value) Act 2012. Specifically, we have been asked to assess how Local Authorities, NHS and Public Sector Bodies (eg LEPs, Police, Fire, Higher Education) are implementing The Act in order that they might collate evidence and case studies in preparation for a Cross Party Report. In return we will share the information with you, provide recommendations for best practice and guidance on implementation through a Social Value Portal to be launched in Autumn 2014.

For further information and to access the new portal, please start by registering your details below and complete the preliminary survey at the end of the page:

[Click to Register & Complete Preliminary Survey](#)

or go to 'Social Value' tab at www.cceg.org.uk

You will next be contacted in August 2014 with an invite to the new portal for which there will be no charge. If you have any queries at this stage, or require assistance with The Social Value Act, please contact us at SocialValueAct@cceg.org.uk

Yours sincerely
